Education

Indian Institute of Technology, Guwahati

Bachelor of Technology in Chemical Engineering

Aug 2017 – May 2021

CPI: 7.63

Experience

Vehere Interactive

Associate Software Engineer

July 2022 – ongoing

Kolkata, West Bengal

- Spearheaded the development of a robust **Active Directory Integration** module for our product, streamlining user authentication processes. This module empowered employees of client companies to seamlessly log in using their Active Directory credentials, enhancing user experience and security.
- Pioneered the implementation of '2-factor authentication using **Security keys**' based on the **FIDO2** authentication standard. By integrating this feature into our product, users gained the ability to employ Security keys as a reliable second factor for authentication, significantly bolstering the overall security posture of our system.
- Proficiently worked with **Kibana**, leveraging its capabilities to develop intuitive and user-friendly graphical user interfaces (GUIs) for various modules.

Rapid Innovation

Trainee Blockchain Developer (Intern)

June 2022 – July 2022

- Created contracts for multi-sig-wallet, basic liquidity pool and tokens based on ERC20 and ERC721 standards.

ICICI Bank

Management Trainee

July 2021 – May 2022

Mumbai, Maharashtra

- Worked on a pivotal project focused on publishing a product on the ICICI Bank website, orchestrating the transformation of the consumer onboarding journey into a predominantly digital process. Successfully reduced **the average Turnaround Time (TAT)** for consumer onboarding by an impressive **40%**, from 10 days to just 6 days. Crafted comprehensive **Business Requirement Sheets (BRS)**, collaborated seamlessly with cross-functional teams, and **presented project plans** to both internal teams and management, ensuring alignment with organizational objectives.
- Conducted informative and technical sessions for the team, delving into topics such as Blockchain and SWIFT to enhance the team's knowledge base for upcoming projects.

Technical Skills

Languages: C++, JavaScript

Web Technologies: HTML, CSS, Node.js, React.js

Database management: SQL

Miscellaneous: Git, GitHub

Positions of Responsibility

PR and Branding Core Team member, Alcheringa, IIT Guwahati

Feb 2019 – Feb 2020

Serving as **Convener for IITG Parliamentary Debate** in Alcheringa (IITG annual cultural fest), I led a team of 12 members, organized the event, and achieved significant milestones. Became first convener to brought in **2 international adjudicators**, leading to a 30% increase in participation compared to the all-time highest.

Achievements

Joint Entrance Exam 2017: Secured AIR 2347 in JEE Main and AIR 4658 in JEE Advanced.
